

middle of page (105 mm from edge)

- ① Draw all lines according to plan with pencil
- ② cut along the red lines
- ③ prepare all black lines for folding (use empty ball-pen or back side of a knife)
- ④ Fold all solid black lines — up, i.e. they point upwards like a mountain
- ⑤ Fold all dotted black lines --- down, i.e. they stick downwards like a valley
- ⑥ Glue the cover and inner part of card

This will be the front cover of the card.  
If you want to decorate, the reading direction is like for this text here.

This will be the back cover of the card.  
Reading direction is like this.

middle of page (148.5 mm from edge)

You can write in this area.  
The back side will be glued to the front cover.

You can write in this area.  
The back side will be glued to the back cover.
